

Moat House PE Sports Grant Report 2018-2019

The Governors agree that the money must be used so that: all children benefit from quality PE provision regardless of their sporting ability; staff have access to training opportunities and continued professional development and all children are given the opportunity to participate in competitive sport and all children are given the opportunity to take part in extra-curricular sports clubs.

Moat House Primary School received a Government grant of £19,270 for the academic year 2018/19. This funding has been made available to assist the school in improving the provision and quality of PE and sporting activities on offer to the pupils. The planned expenditure is as follows:

Key indicators met	1) The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school. 2) The profile of PE and sport is raised across the school as a tool for whole-school improvement. 3) Increased participation in competitive sport
