7th June 2016

Dear Parents/Carers,

You may be aware that on Thursday 16th June, England will be playing Wales as part of the Euro 16 tournament. As the match kicks off during the school day (2pm) we are proposing to enable children who are interested (Year 2 to Year 5), to watch the match live on the 'big screen' in our school hall.

At half time, we have organised for some food and drink to be available for children to enjoy at a cost of £1.50. As the match will finish after the end of the school day, we need your permission to allow your child to stay behind until the final whistle (3:45pm).

If you would like your child to take part in this exciting event, please complete the permission slip below along with your child's choice of food. If your child is not interested in the football he/she will be given alternative options and will be supervised in a classroom. However until the normal end of school day at 3:20pm. The food option will be available for all children.

If your child would like to watch the football, please return the slip below to your child's classteacher, along with money for food if this is required. Please note food orders will need to be returned to school by Friday 10th June so that the appropriate quantities can be ordered.

Thank you for your support.

Yours sincerely

Melanie Collins
Deputy Headteacher
