

Whistleblowing Policy

1. Introduction

The Council takes malpractice seriously and encourages people to speak out if they are aware of any potential malpractice within the organisation. The Council is committed to creating an open culture, where concerns can be raised without fear of reprisals.

The Whistleblowing Policy exists to help individuals raise concerns over any wrongdoing within Coventry City Council relating to unlawful conduct, financial malpractice, or dangers to the public or the environment. It does not apply where employees are aggrieved about their own personal position – in such instances the Council's grievance procedure applies. (Details of this are available from the intranet or from Human Resources.) The Whistleblowing Policy is primarily for concerns where the interests of others or of the organisation itself are at risk.

The policy is intended to encourage and enable individuals to raise serious concerns within the Council rather than overlook a problem. The policy also outlines how individuals may properly raise concerns outside the Council.

The policy supports the Council's Fraud and Corruption policy and complements other specific investigation procedures developed to support vulnerable group's i.e. Safeguarding Children and Vulnerable Adult Protection.

If you have a concern, you should contact:

For fraud and financial irregularity – the Internal Audit Manager (Stephen Mangan ext 3747)

For all other matters – the Head of Legal Services Monitoring Officer as Monitoring Officer (ext 1183)

All employees of the Council may use this Code. This includes permanent and temporary employees. It also covers agency workers and employees seconded to a third party. Any concerns relating to the third party, if relevant to the employees secondment, can also be raised under the Code.

This Policy also applies to Teacher and School employees, subject to its adoption by Governing Bodies. In Voluntary Aided schools, the Governors are the employers of the staff and not the City Council. Employees based within such establishments may wish to report concerns to Diocesan authorities, or the external sources, referred to at paragraph 9 below.

Matters reported directly to the Council by a school based Council employee will be referred to the Director of Children Learning and Young People before further action is taken. Matters reported directly to the Council by an employee of a Voluntary Aided School will be referred to the Diocesan authority by the Director of Children, Learning and Young People.

Details of how to raise a whistleblowing concern are given in section 4 of this document.

2. Policy statement

The Council is committed to the highest possible standards of openness, probity and accountability and will take action to address improper practices. As part of this commitment, the council is determined to follow best practice on whistleblowing and:

- Provide opportunities for individuals to raise concerns outside of their line management structure;
- Not allow any individuals who come forward with concerns raised in good faith to be discriminated against or victimised;
- Ensure concerns are treated in confidence and make every effort not to reveal the identity of the whistleblower. (The Council cannot give a complete assurance that an individuals identity would not be revealed – see section 6);
- Investigate all concerns, ensure individuals get a response to their concerns, and take all possible action against wrongdoers;
- Take action against anyone found to have made a false allegation maliciously.

3. When does the Whistleblowing Policy apply?

3.1 The Public Interest Disclosure Act 1998 sets out the categories where the statutory whistleblowing protection applies. These are:

- A criminal offence;
- A failure to comply with a statutory or legal duty (e.g. Race Relations (Amendment) Act, Data Protection Act etc.);
- Improper unauthorised use of public funds or other funds;
- A miscarriage of justice;
- Sexual or physical abuse of any employee or service recipient;
- Discrimination of an employee or service recipient on the grounds of sex, age, race, disability, religion, belief or sexual orientation.
- Endangering of an individuals health and safety;
- Damage to the environment;
- Deliberate concealment of any of the above.

3.2 In addition, the Council will provide similar protection to any employee “blowing the whistle” on any issue deemed to be breach of the Councils code of conduct.

3.3 The overriding concern should be that it would be in the public interest for malpractice to be corrected and, if appropriate, sanctions applied.

3.4 The policy is subject to any relevant legislation and specifically will operate within the requirements of the Data Protection Act.

4. How to raise a concern

4.1 The Public Interest Disclosure Act encourages individuals to raise their concern with their employer. Within the Council, the key contacts to raise whistleblowing concerns with are:

Potential fraud or financial irregularity

- Internal Audit Manager (Stephen Mangan ext 3747)

Other concerns

- The Councils Monitoring Officer (ext 1183)

In addition, employees can make initial contact with any of the following:

- Supervisor, manager, or Head of Service
- Head of Establishment or Head teacher
- Trade Union representative

More information is available at:

- 4.2 Whilst individuals can raise concerns verbally, it is often better to put them in writing, but any method of communication is acceptable. The information needed is the background and history of the concern giving names, dates and places where possible, and the reason for the particular concern. To allow any points raised to be clarified, individuals will need to provide details of how they can be contacted.
- 4.3 The earlier concerns are raised; the easier it will be to take action.
- 4.4 Advice and guidance on how matters of concern may be pursued can be obtained from the following:
- Line manager, head teacher
 - Human Resources
 - Internal Audit Services
 - Trade union/professional association
 - Public Concern at Work. This is an independent charity that operates a confidential helpline to provide free impartial advice for persons who wish to express concern about fraud and other serious malpractice. The telephone number is **020 7404 6609**. Further details are available from their website – www.pcaw.co.uk
- 4.5 Trade Union representatives may support an employee raising an issue of concern throughout the process.

5. How the Council will respond.

- 5.1 Any concern raised either in writing or verbally under the Whistleblowing Policy, will be acknowledged in writing within 3 days. This will:
- Acknowledge that the concern has been received;
 - Summarise the details of the concern;
 - Identify who is dealing with the matter.
- 5.2 The action taken by the Council will depend on the nature of the concern. The matters raised may be:
- Investigated internally by an appropriately skilled and experienced employee, knowledgeable in the area concerned e.g. Manager, Internal Audit, Social Care Manager, Benefits Investigation Team, Human Resources, Chief Executive, the Councils Monitoring Officer, Vulnerable Adults Protection Coordinator, the Safeguarding Children Officer etc;
 - Referred to the Police;
 - Referred to the Health and Safety Executive
 - Referred to the National Standards Board;
 - The subject of an independent enquiry.
- 5.3 In order to protect individuals and the Council, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. Concerns or allegations that fall within the scope of specific procedures (for example, safeguarding children, vulnerable adults' protection, or discrimination issues) will normally be referred for consideration under those procedures.
- 5.4 Some concerns may be resolved by agreed action without the need for further investigation.
- 5.5 The amount of contact between the officer(s) considering the issues and the employee reporting the concern will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, further information will be obtained from the individual reporting the concern in a discreet manner.

- 5.6 When any meeting is arranged, individuals will have the right, if desired, to be accompanied by a trade union or other representative. The meeting can be arranged away from the normal place of work, if requested.
- 5.7 The Council will take steps to minimise any difficulties which individuals may experience as a result of raising a concern and provide any appropriate support. For instance, if the individual is required to give evidence in disciplinary or criminal proceedings, the Council will provide advice about the procedure.
- 5.8 The Council accepts that individuals raising a concern need to be assured that the matter has been properly addressed and will notify them when the Whistleblowing Policy process has been completed. This will normally be within 20 working days of a concern being raised. In addition, details will be given on what action has been taken to correct working practices, which have been found to be at fault by the investigation.
- 5.9 If an allegation is received anonymously, it may restrict what the Council is able to do. There is an expectation that the person reporting a matter will disclose their identity to the Audit Manager, as this will facilitate the investigation. The Council will endeavour to maintain the person's anonymity wherever possible.
- 5.10 The following factors will be considered when establishing the scope and depth of any investigation:
 - The seriousness of the issues raised;
 - The credibility of the concern; and
 - The likelihood of confirming the allegation from recognised sources and information available.

6. Safeguards

- 6.1 The Council recognises that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the alleged malpractice.

The Council will not tolerate harassment or victimisation and will take action to protect individuals wherever possible provided that:

- The concerns are raised in good faith;
- The information provided is believed to be true, even if the allegation is not subsequently confirmed by the investigation;
- Allegations are not made for personal gain.

The Internal Audit Manager or the monitoring officer will carry out a risk assessment to determine safeguards as necessary.

- 6.2 Every effort will be made to ensure confidentiality as far as is reasonably practical. Individuals should be aware that actions taken as a result of their report may lead to their identity being revealed, either by inference or as a result of disciplinary or legal proceedings. If this should happen, the Council will not tolerate any individual being victimised in any way.
- 6.3 Support will be provided to help overcome any difficulties experienced as a result of raising a concern. During the investigation, any meetings with the individual raising the concern can be arranged away from their place of work and they will have the opportunity to be accompanied by a representative of their choice, if they wish. If the individual is required to present evidence as a witness, arrangements will be made to provide them with support through the process. Access to counselling and support is available to all employees.
- 6.4 Every effort will be made to keep the individual reporting the matter concerned informed. However, the information provided will be determined by the nature of the

investigation and whilst safeguarding the rights of other individuals involved in the process.

7. Malicious Allegations

- 7.1 The Council will take action against any individual found to have made a malicious or vexatious allegation. For an employee, this could result in disciplinary proceedings.

8. Raising Concerns Outside of the Council

- 8.1 This Policy is intended to provide employees with an avenue to raise concerns **within** the Council. If an employee instead takes the matter outside the Council, they should ensure that they do not disclose confidential information. Employees should also check that they do not contravene the Public Interest Disclosure Act as this does not provide blanket protection and only allows individuals to disclose matters to their employer or specified bodies. Any breach of the Act could lead to disciplinary action.

- 8.2 If an individual wishes to raise a concern outside the Council or feels that the Council has not handled their concern appropriately, the following possible contact points may be relevant:

- The Ombudsman – 0845 602 1983 (www.lgo.org.uk)
- The Audit Commission – 0844 7981212 (www.audit-commission.gov.uk)
- Relevant professional bodies or regulatory organisations
- Trade Union/Professional Association – details are available from Human Resources
