Dear Parents / Carers

You'll be aware that school will be shut from the end of tomorrow until further notice.

We are currently working through guidance from the Government as to whether we might open, if we have sufficient staff, for a small number of pupils going forward. If this affects you you will be contacted directly. Thank you to the families who notified us that they are 'key workers.'

Each year group has compiled a list of activities that children can access while they are off. These will also be available on the school website.

If you have paid for a trip that has been cancelled you will be refunded when we reopen.

As soon as we have more information it will be published on the school website.

Yours sincerely,

Alasdair Black
