New Year's Resolutions: Every year I challenge the children to think of something they could improve at school and at home and adopt these as resolutions. Many have told me that they intend to work more quickly, write more neatly, have a better attitude or be a better friend. I'd like to wish everybody the best of luck with their resolutions. I would hope that you might see the benefit at home too with tidier, more helpful children who argue less with their brothers or sisters - that's what they told me would happen!

Litter Week: We spent some time this week discussing the implications of litter, not just at school but across the country and across the planet. The children were shocked to hear how much wildlife every year gets killed or injured by rubbish that humans don't put in bins or dispose of correctly. The children have all been encouraged to 'do their bit' and only put their litter in a bin. It would be great if you could encourage them to do this at home too.

Upcoming Special Weeks: Next week (WC: 13th January 2020), we will be holding Healthy Eating week. We are encouraging children to bring healthy lunches to school and school dinners will similarly have a healthy focus - please see the attached Eatwell Guide to enable you to make healthy choices for your child's packed lunch. In the week beginning 20th January, we will be holding our annual Cool to be Kind week when children will be encouraged to go the extra mile in carrying out acts of kindness at school and at home.

Class Assemblies: Please make a note of your child's class assembly detailed below:
